

# PERIODIC SERVICE REVIEW - LEON

## Date of periodic service review:

Component of plan	+ / -	Comments
<b>Schedule of Activities:</b>		
1. A picture calendar has been arranged in the last week which describes the schedules of social activities for the coming week.		
2. Leon's schedule contains at least 5 different out-of-house social activities.		
3. The 'Evening newspaper' has been used in designing the schedule.		
4. A staff log of Leon's reaction to new activities has been updated in the last week.		
5. At least 80% of the activities in the last week on Leon's schedule are activities that would be enjoyed by other men of his age.		
6. Leon has earned at least €30 from working at Murphy's Dairies		
7. Leon engaged in one activity in the last week with someone who volunteered to be with him (i.e. someone who does not have a learning disability – not a family member and not receiving a salary for being with him).		
<b>Contact with Leo's Family</b>		
8. Leon has been offered the opportunity to telephone home on three occasions in the last week.		
9. A meeting between Leon, at least one staff member and at least three family members has taken place in the last 3 months.		
10. Leon's family have been invited to a meeting to plan for Leon in the last month.		
11. An independent advocate attended a meeting to plan for Leon in the last month.		
<b>Skills:</b>		
12. Leon is using his oil paints for painting once a week		
13. Pictures have been used to offer Leon choices of activities at least 5 times in the last week.		
14. Leon practices asking 'for a chat' 5 times per week.		
15. Leon is practicing 'mindfulness' 3 times per week.		
<b>Direct Interventions:</b>		
16. A progressive schedule of reinforcement has been implemented with a minimum of three reward levels.		
17. The reward interval is half the average length of time between behaviours at baseline.		
18. The toilet is restocked with a small quantity of toilet paper at least 3 times per day.		
19. Leon has been noted and praised for behaving well on three occasions in the last day		
<b>Reactive Strategy</b>		
20. Reactive strategy is in place and practiced with staff team at least 3 times per week.		
21. Reactive strategy was implemented as per the protocol and was successful in reducing the episodic severity of the incident.*Score N/A if not needed this week.		

<b>Mediator Analysis</b>		
22. The graph of the number of incidents of aggression / property damage has been updated in the last month.		
23. The Graph of the number of times the toilet has been flooded in the last month has been updated		
24. The Periodic Service Review has been completed in the last month and the percentage score has been graphed.
